ABOUT US

Gloria is a collective of dissatisfied, beauty-obsessed filmmakers, photographers, designers and producers, working together to achieve an impossible state of glory. Chasing glory is what keep us constantly searching new ways of helping people to tell their stories, whether main or tiny. Is the passion that fuel our ideas and our insatiable thirst for innovation and tendency.

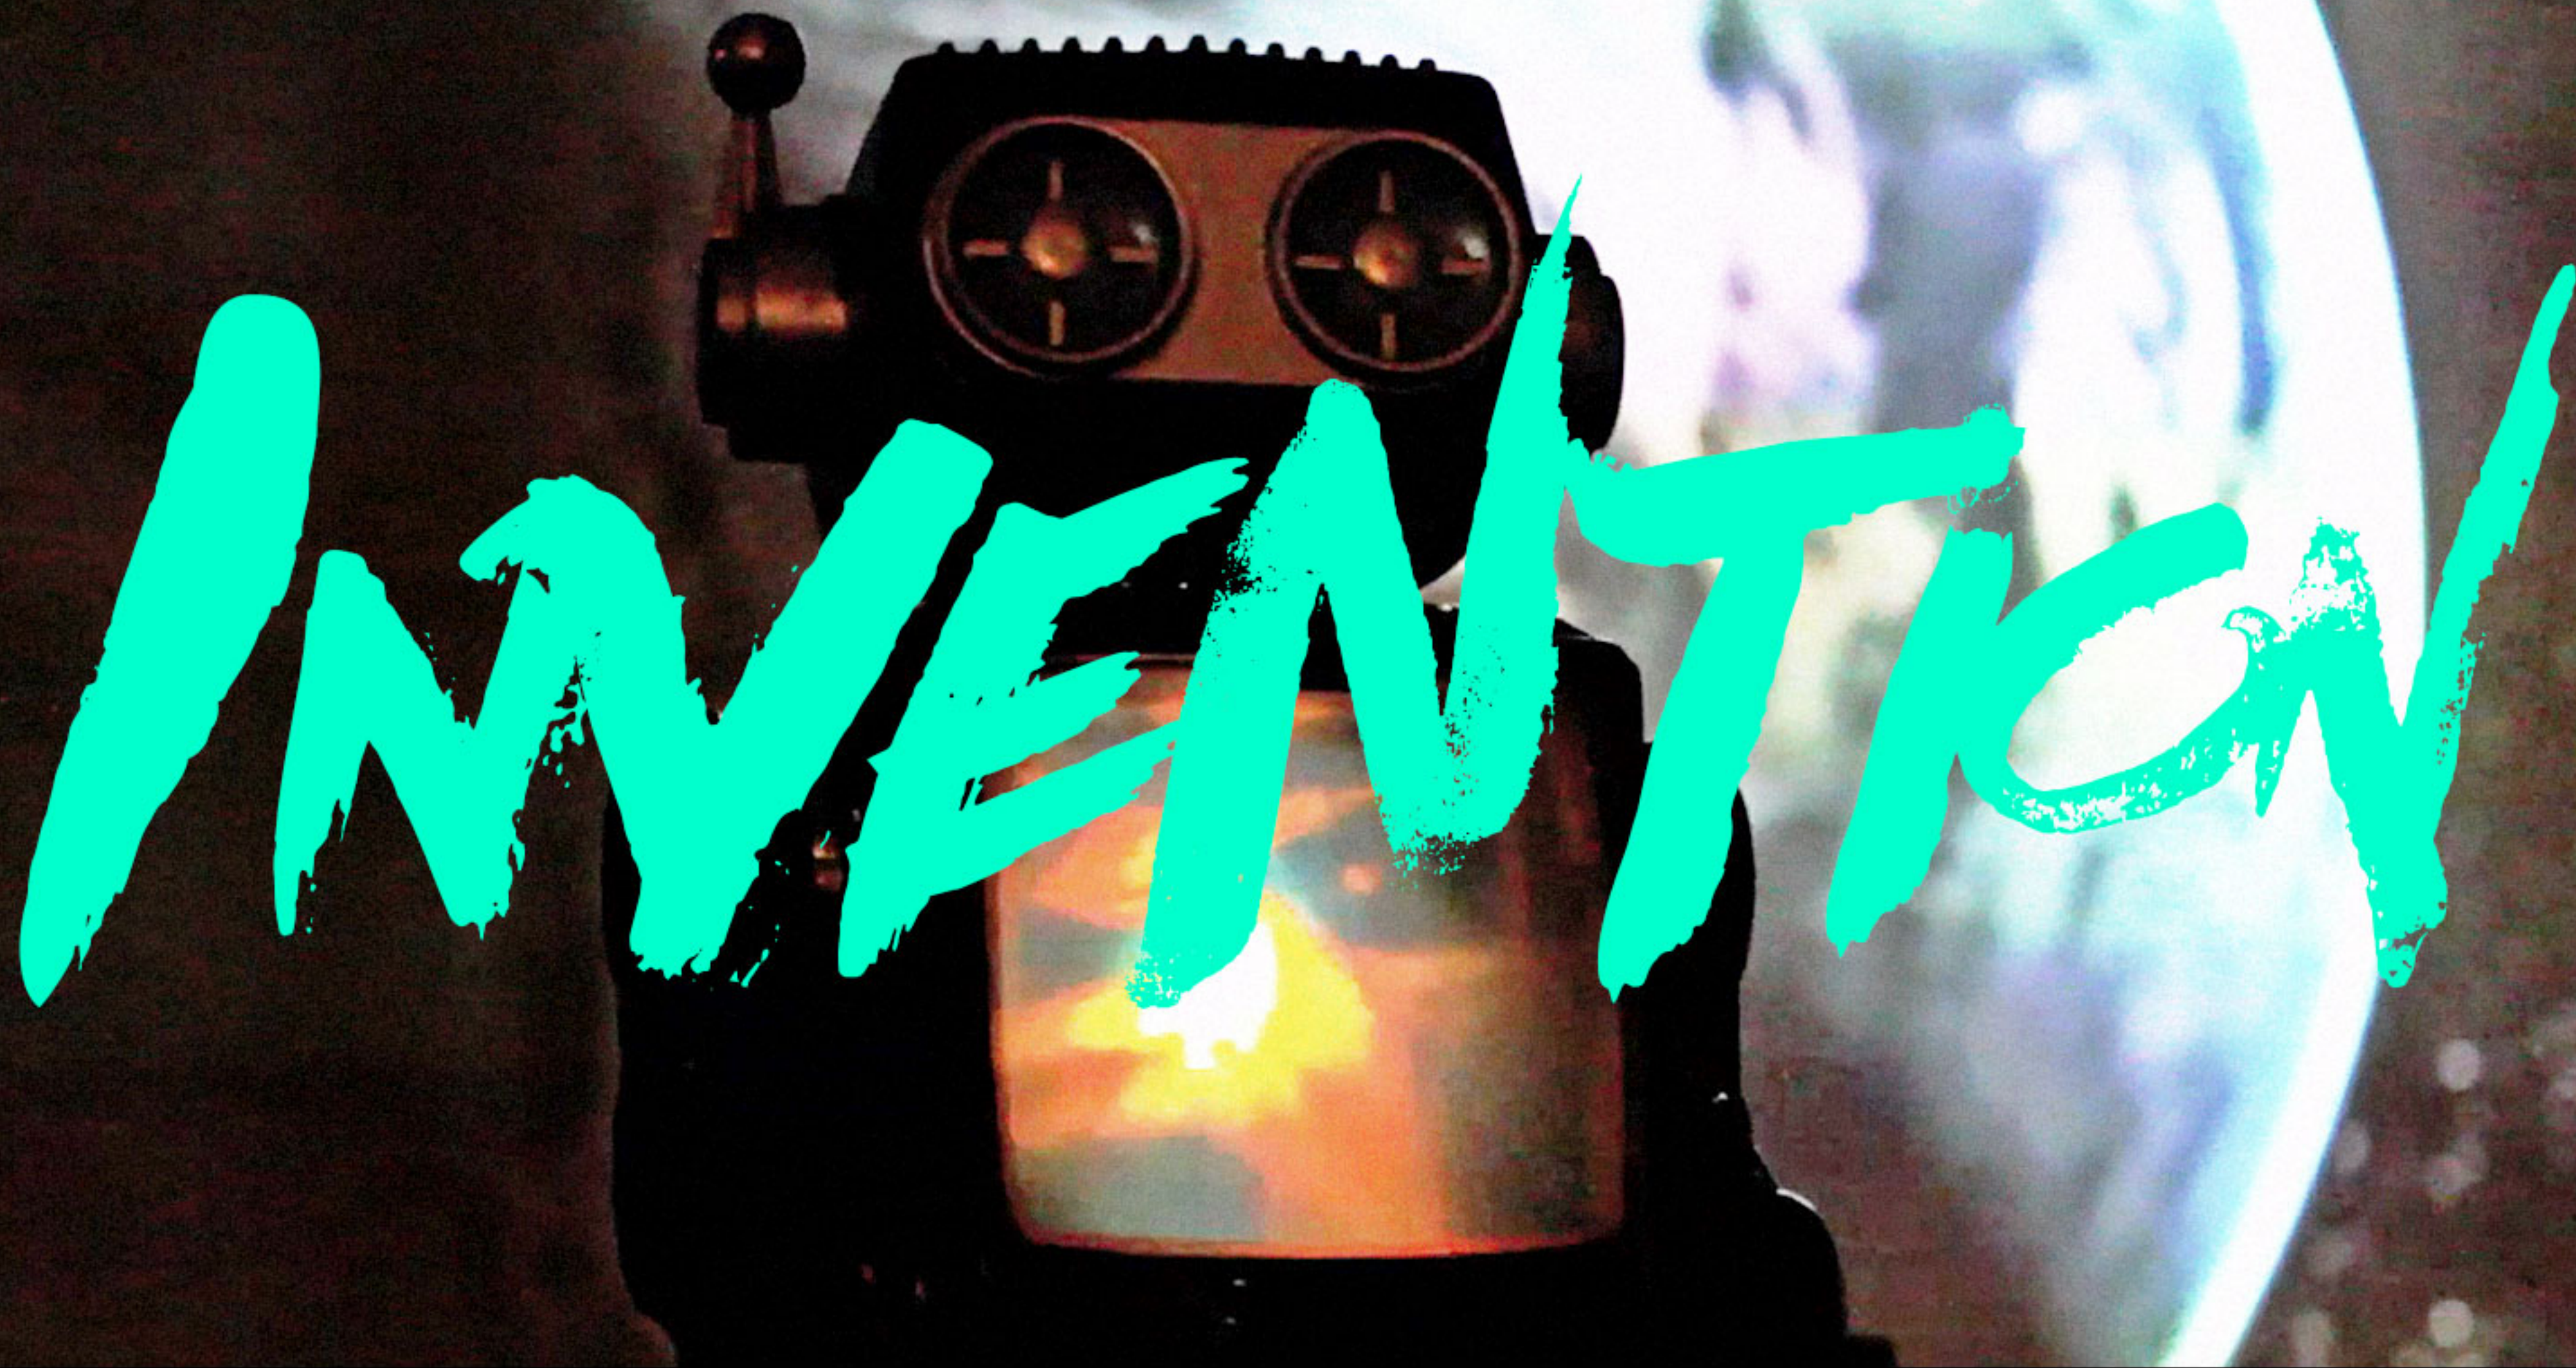

Our motto is to stay true to beauty, whatever the brief, and to create stuff worth of attention, above all things.

Gloria was conceived in 2009 as a boutique production company, small enough to maintain a close collaborative working relationship with clients but tough enough to beat a giant.

OUTS

Stay true to beauty, whatever the brief

Make fiction a better side of the truth

Have a different point of view

Believe in goøð stories

A vintage photograph of a woman with short, light-colored hair, wearing a black one-piece swimsuit, standing on a boardwalk. The background shows a Ferris wheel, a building with a sign that says "AS BOLAND ARCADE", and a "McDonald's" sign. A large, bold, yellow brushstroke text overlay reads "MAGNETISM" across the center of the image.

MAGNETISM

Create stuff worth of attention

Beat a giant while remaining boutique

A person wearing a white robe is walking away from the camera down a hallway. The hallway has light-colored walls and a patterned tile floor. The word "REWARD" is written across the center of the image in large, bold, blue brushstrokes. The lighting is bright, coming from the end of the hallway.

REWARD

The greater the work, the greater the glory

A night street scene with a white sign reading "Thanks!" and the Gloria logo. The background is a blurred city street at night with various lights and signs. In the foreground, the tops of several people's heads are visible, suggesting a crowd or a public event. The sign is rectangular and white, with the word "Thanks!" in a bold, black, sans-serif font. To the right of the sign is the Gloria logo, which consists of the word "Gloria" in a bold, black, sans-serif font with a trademark symbol, and the website address "gloriafilms.com" in a smaller, black, sans-serif font below it.

Thanks !
